“ Orlando, the place where pages from fairy-tales come to life at Disney's Magic Kingdom, has come a long way from being a sleepy Southern farmland to become the vacation destination for over 45 million people every year. Opening of Disney's Magic Kingdom may have created a legacy that has continued well into the present with the mushrooming of even more incredible theme, water and adventure parks, but the Kingdom still remains a national shrine, a visit to which is a rite of passage. ”
